

Attention FDA

5711 '00 MAR 22 AID :38

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

NO -

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I do not drive - I live far from a town - my first aid purchased in store was a lemon - They never took it back - my loss - 350⁰⁰

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

NO.

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes - I've been doing so for 40 years & over my first aid by mail was \$99⁰⁰ and much better than the \$350 one - 40 yrs years ago.
